Dear Congress:

We, the below signers, are members of the Repeal & Reform Obamacare Coalition.

Obamacare repeal has been a political imperative from the American people for the better part of a decade.

While there may be disagreements on the details of how repeal (and broader reforms) should be accomplished, the necessary procedural first step is passage of the Repeal Resolution (*S.Con. Res. 3*), and with it as much of the Obamacare as feasible under legislative rules.

We therefore urge you to keep the Repeal Resolution clean of extraneous matter and to support all efforts to ensure its expeditious passage.

Sincerely,
